NOTES:

The purpose of this survey is to monument property corners of previously surveyed properties at the new road right-of-way after acquisition by the Winnebago County Highway Department. Not all property corners were located or set as part of this survey. The survey was performed without the benefit of a title report. Lands are subject to all recorded and unrecorded easements.

I, Craig D. Hansen, Professional Land Surveyor, do hereby certify that this plat was made under the direction of the Winnebago County Highway Department and that not all sections of Chapter AE-7 of the Wisconsin Administrative Code have been met; that the information on this document may not be a true representation of existing property corners and should not be used as a substitute for an accurate field survey.
