Dear Mr. Charlesworth,

I have in my possession at the present time a survey of lots 3 & 4, Block 4, in the Baldwin Subdivision, Which you have compiled for MR. & Mrs. Sam Napuck.

However there is still some futher information I will need to complete plans for a proposed dwelling on Said property. I would like grade elevations at intervals not exceeding a grid of 20'-0" x 20'-0" and the location, sizes, and types of all trees on Said property.

Your immediate response to this information will be greatly appreciated.

Yours very Truly,
