Attention: Mr. Robert Paynter

Dear Sir:

Pastor Solberg has requested that I send you the legal description of the property in Neenah so that you can have the survey made.

The description is as follows:

That portion of the South West $\frac{1}{4}$ of the North East $\frac{1}{4}$ of Section 32, Township 20 North, Range 17 East, in the Sixth Ward, City of Neenah, described as follows, viz:

Beginning at the intersection of Byrd Avenue and Tullar Road, said point also being the Southwest corner of the South West $\frac{1}{4}$ of the North East $\frac{1}{4}$ of said Section 32; thence northerly along the Quarter Section line, 448 feet to a point; thence Easterly parallel with the East-West Quarter Section line, 453 feet to a point; thence Southerly parallel with the North-South Quarter Section line, 448 feet to the East-West Quarter Section line; thence Westerly along the East-West Quarter Section line, 453 feet to the place of beginning

Reserving, however, the North 30 feet and the West and South 33 feet for public street purposes.

I trust that you will soon be in a position to supply us with preliminary sketches.

Sincerely yours,

Russell B. Helgesen
