City of Oshkosh, Winnebago County

Dear Mr. Chronis:

The Department of Development certifies this preliminary plat as nonobjectionable. The Department of Transportation, Division of Highways and Transportation Services will review the plat if it is an "abutting plat" as defined by s. Hy 33.03 (3), Wis. Admin. Code. On the final plat, the Winnebago County Planning & Zoning Committee will also be an objecting agency.

Local government units, during their review of the plat, will resolve, when applicable, that the plat:

- complies with local master plans, official map or subdivision control ordinances;
- conforms with areawide water quality management plans, if sewered;
- complies with Wisconsin shoreland management regulations;
- resolves possible problems with storm water runoff;
- fits the design to the topography;
- displays well designed lot and street layout;
- includes service or is serviceable by necessary utilities.

COMMENTS FROM PRELIMINARY PLAT REVIEW:

- s. 236.16 (1) The lots have the minimum width and area required by this section.
- s. 236.16 (2) The streets meet the minimum width required by this section.

We have been advised that the City Clerk will forward the necessary certification regarding public sewers with the final plat submittal.

If there are any questions concerning this review or preparation and submittal of the final plat, please contact our office.

Sincerely,

Subject: KAITLYNN
NW 1/4 S 11 T18N R16E
City of Oshkosh, Winnebago County

Dear Mr. Chronis:

We have examined KAITLYNN and do not object to this final plat. Today we received a copy of the plat from the Winnebago County Planning & Zoning Committee certifying that they do not object to this plat. Therefore, the original drawing has been certified as complying with the requirements of: s. 236.15, s. 236.16, s. 236.20, and s. 236.21 (1) & (2), Wis. Stats.; and, the Winnebago County Planning & Zoning Committee.

After all conditions of the certifications of no objection have been met, the plat may be submitted to the local governing bodies for approval. Local, government units, during their review of the plat, will resolve, when applicable, that the plat:

- complies with local master plans, official map or subdivision control ordinances;
- conforms with areawide water quality management regulations;
- complies with Wisconsin shoreland management regulations;
- resolves possible problems with storm water runoff;
- fits the design to the topography;
- displays well designed lot and street layout;
- includes service or is serviceable by necessary utilities.

Any changes to the plat involving details checked by this Department or the Winnebago County Planning & Zoning Committee will require submission of the plat to the Department for recertification before the plat is eligible for recording. Such changes can be found by comparing the original drawing with the copy of this plat we furnish the letter recipients listed.

ORIGINAL DRAWING RECEIVED FROM SURVEYOR ON 7/6/88; REVIEWED BY DATCP ON 7/6/88.

NOTE TO ALL INTERESTED PARTIES: Effective July 1, 1988, the Plat Review Unit will become part of the DEPARTMENT OF AGRICULTURE, TRADE AND CONSUMER PROTECTION. On all plats certified after July 1, the Owner's Certificate must reflect this name change. Until further notice, all plat review mail should be sent to our present address. A Platting Letter will be issued as soon as we know the date of our move and our new location.
