Dear Mr. Paulus:

This letter is in response to your proposed project to excavate bottom material from the bed of an unnamed creek located in the Town of Nokimi, NW 1/4, SW 1/4, section 5, T17N, R16E, Winnebago County.

On August 14, 1992 I inspected the creek and determined it to be non-navigable where it crosses your property. However, a D.N.R. permit is required according to section 30.20 Wisconsin Statutes to remove bottom material from any streams. Attached is an application.

If you have any questions, please call me at 414-424-4003.

Sincerely,

*Tere Locke*
