John Brink, 1835, original corner post. C. Palmer, County Surveyor, 1876, resurvey Town of Nekimi, set a squared limestone for this corner location. G. A. Randall, Deputy County Surveyor, 1886, No. 484, Vol. 1, County Surveyor Notes. I searched for bearing trees, none remain. No recent surveys of record using this corner. I found a Bathey Marker on an old fence line West and within 0.30 of a straight line between the N.E. and S.E. corners of Section 28-17-16. I accepted this marker as the best possible location of Palmers 1876 corner. I replaced the Bathey Marker with a Berntsen Monument which is 73.2' West of the hwy. "41" centerline. The Dept. of Transportation calls for this corner apx. 73' West of the same centerline.

RE: Navigability Determination Map Updates

Diane/Janet:

Please update the GIS for the following DNR navigability determinations:

1. NW, S 23, T 17 N, R 16 E (BASLER)
2. S 28 & 33, T 17 N, R 16 E (GERMAN)

TABLE STREAM SECTIONS AS APPROPRIATE. IF ANOTHER DETERMINATION WAS DONE, LIST THAT ONE FIRST AND THE MOST RECENT DETERMINATION AS A RE-DETERMINATION.

Diane: After updating, determine the affected parcels where navigable and attach a list of parcel numbers affected and within 1000' or 300' so that file 13 can be updated. **Tag stream section with DNR Determ & Date. Modify shoreland zoning appropriately.**

Janet: Update File 13, file in parcel file(s) and microfiche in Surveyors Records according to Section, Town, Range.

Dear Ms. Leet:

This letter is in response to your request for two navigability determinations. The first waterway is located on the Basler property in the NE 1/4 of Section 23, Township 17 North, Range 16 East, Winnebago County. This waterway is a vegetated swale and does not meet the definition of navigable. No permits will be required for the proposed manure storage abandonment project or expansion of the existing pond. Please be aware that the area immediately east of the pond (proposed borrow area) appears to be wetland. Please contact the ACOE to discuss the potential for permits for excavation in that area.

The second waterway is located on the Thomas German property located in Section 33, Township 17 North, Range 16 East, Winnebago County. This waterway is also a vegetated swale with no defined bed or banks. This waterway is not navigable. No permits will be required for the proposed waterway stabilization project.

Please call me at (920) 492-5817 with any questions.

Sincerely,

Kristy Rogers
Aquatic Habitat Coordinator
