Mapped on 10/3/93

Dear Mr. Kossell:

This letter is in response to your request for a navigability determination of an unnamed ditch located in the Town of Black Wolf, NW 1/4, NE 1/4, Section 33, T17N, R17E, Winnebago County.

On June 24, 1993 I was at the site and determined the ditch to be non-navigable as there is not enough water to float a small recreational water craft on, on an annual recurring basis.

A permit is not required for the pond, however plan approval may be required for the dike depending on its size. Please send a copy of the dike plans to me so that I can determine if plan approval is required or not.

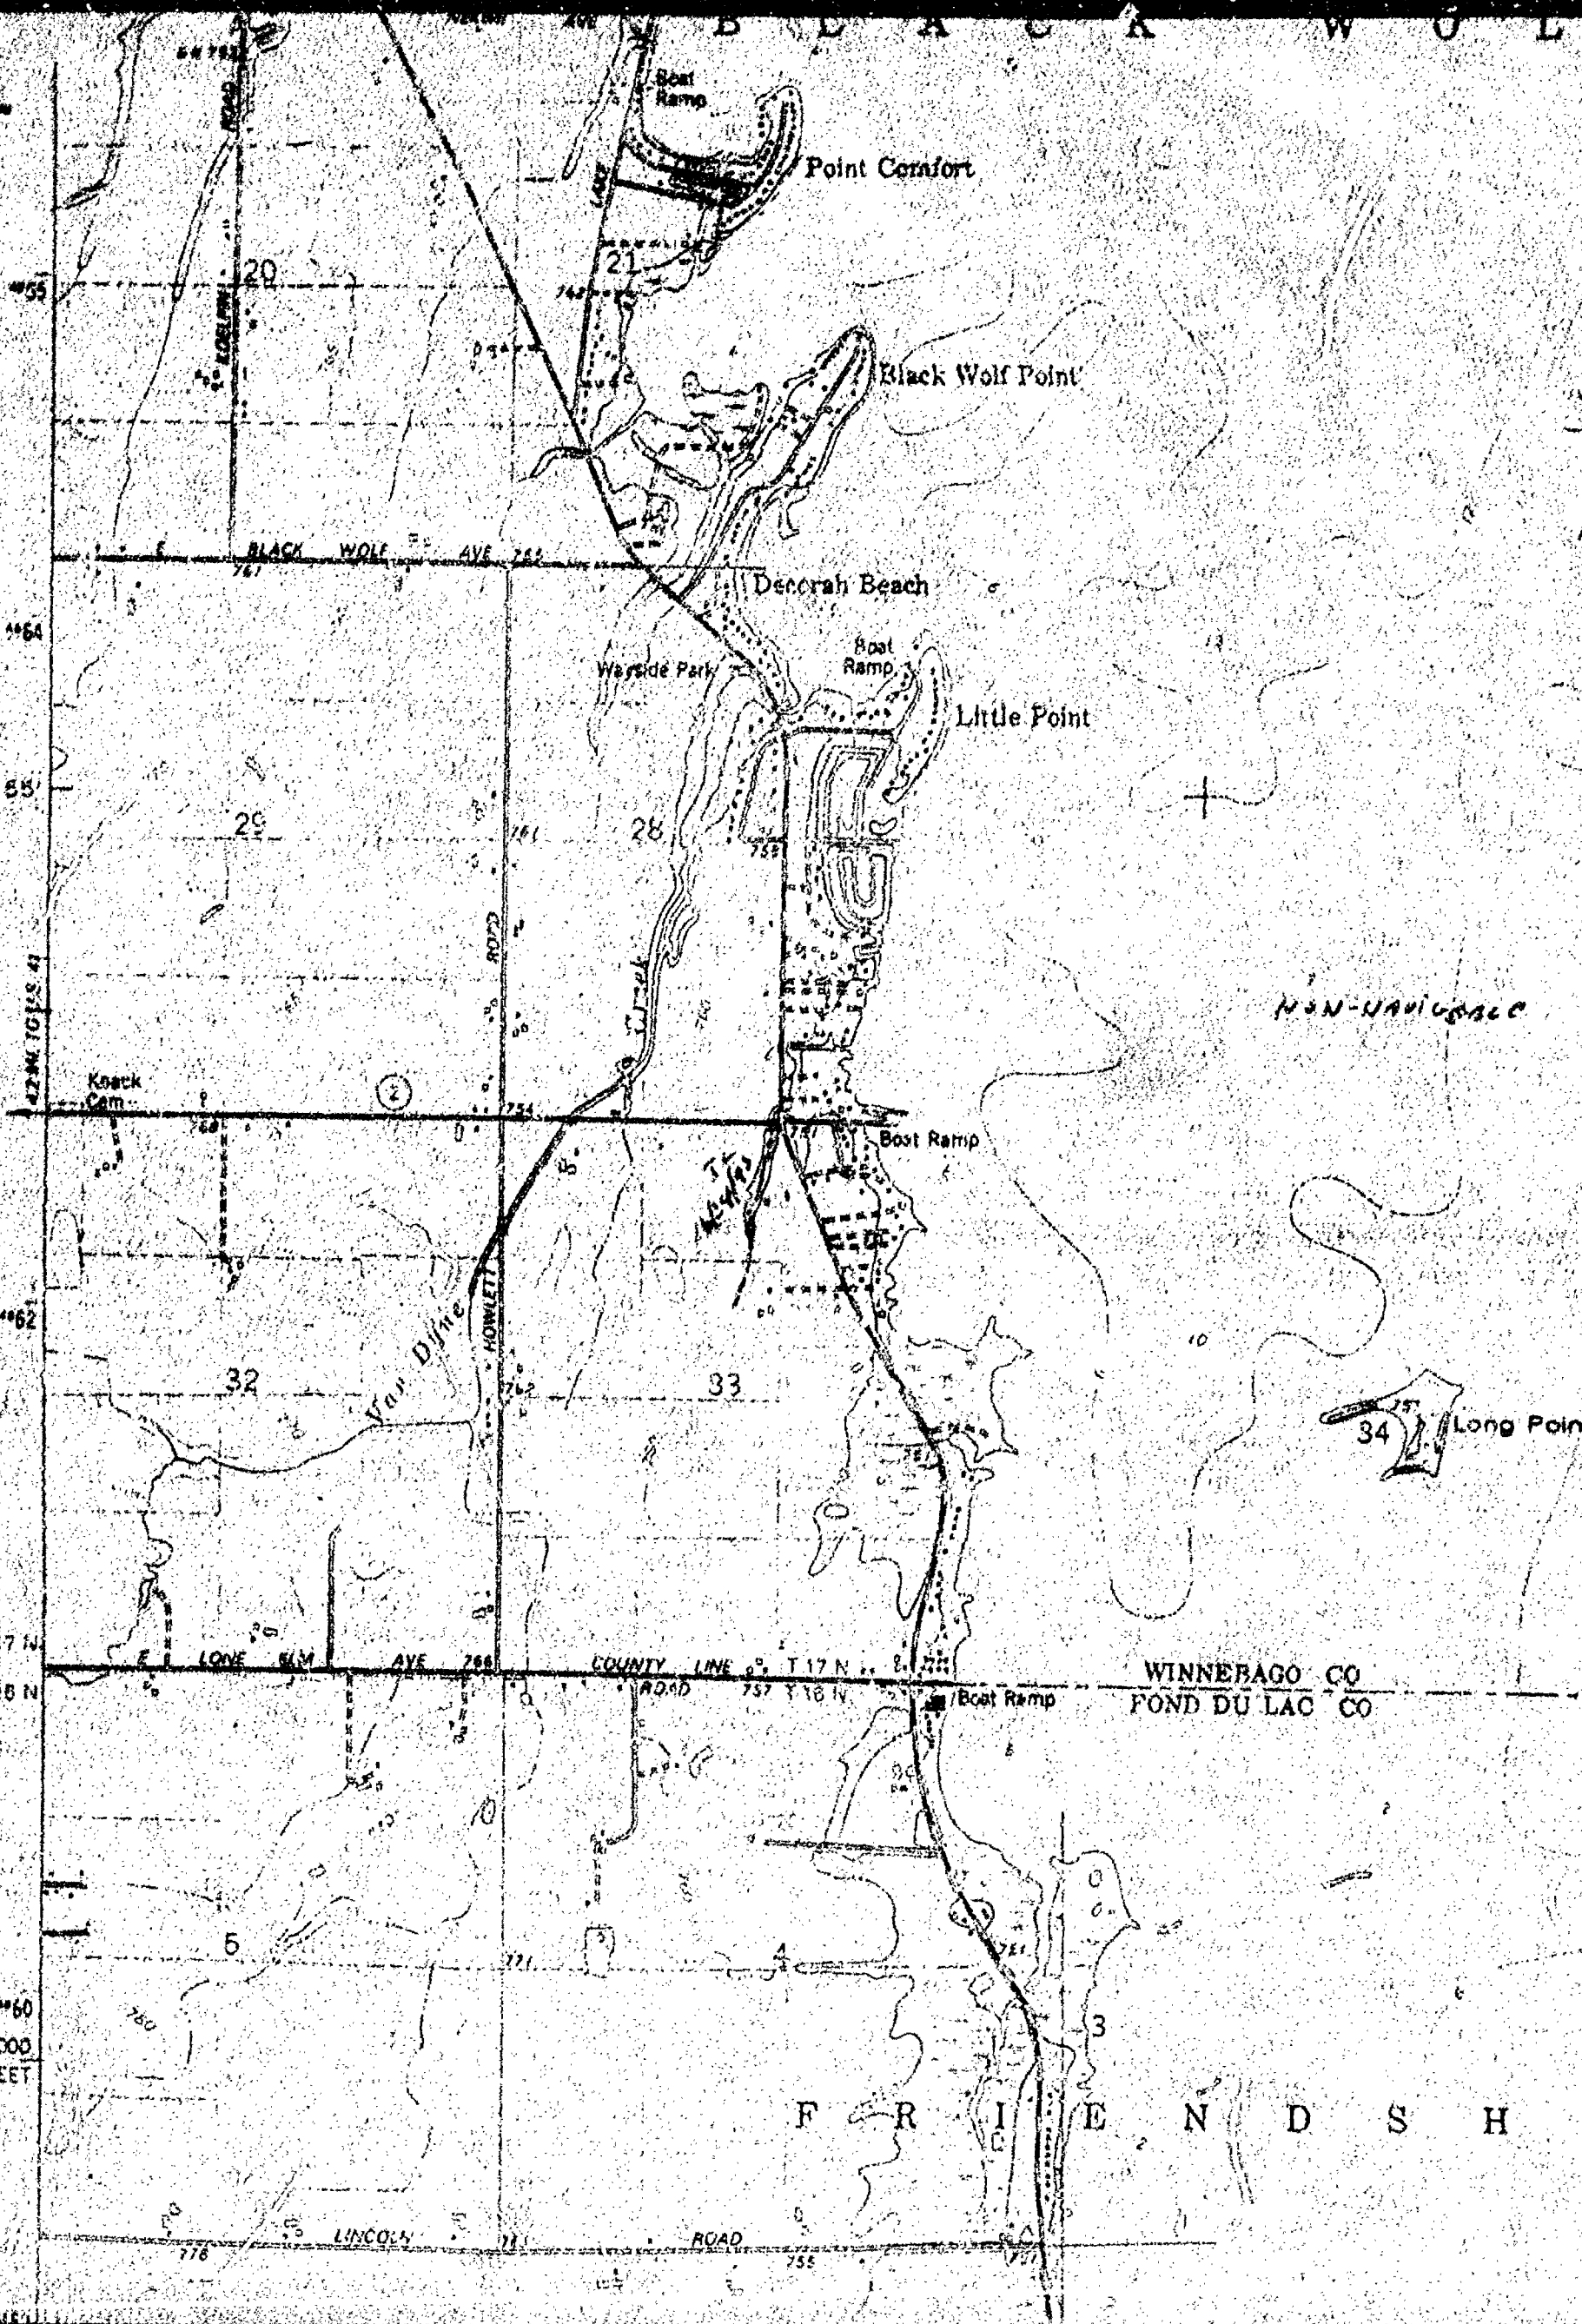

Sincerely,

Tere Locke
