SUBJECT: Navigability determination for Tom Rusch property

Dear Mr. O'Rourke:

This letter is in response to your request for a navigability determination on Tom Rusch's property in the Township of Omro, in the West 1/2 of the SE 1/4 of Section 12, Township 18 North, Range 14 East, Winnebago County, Wisconsin.

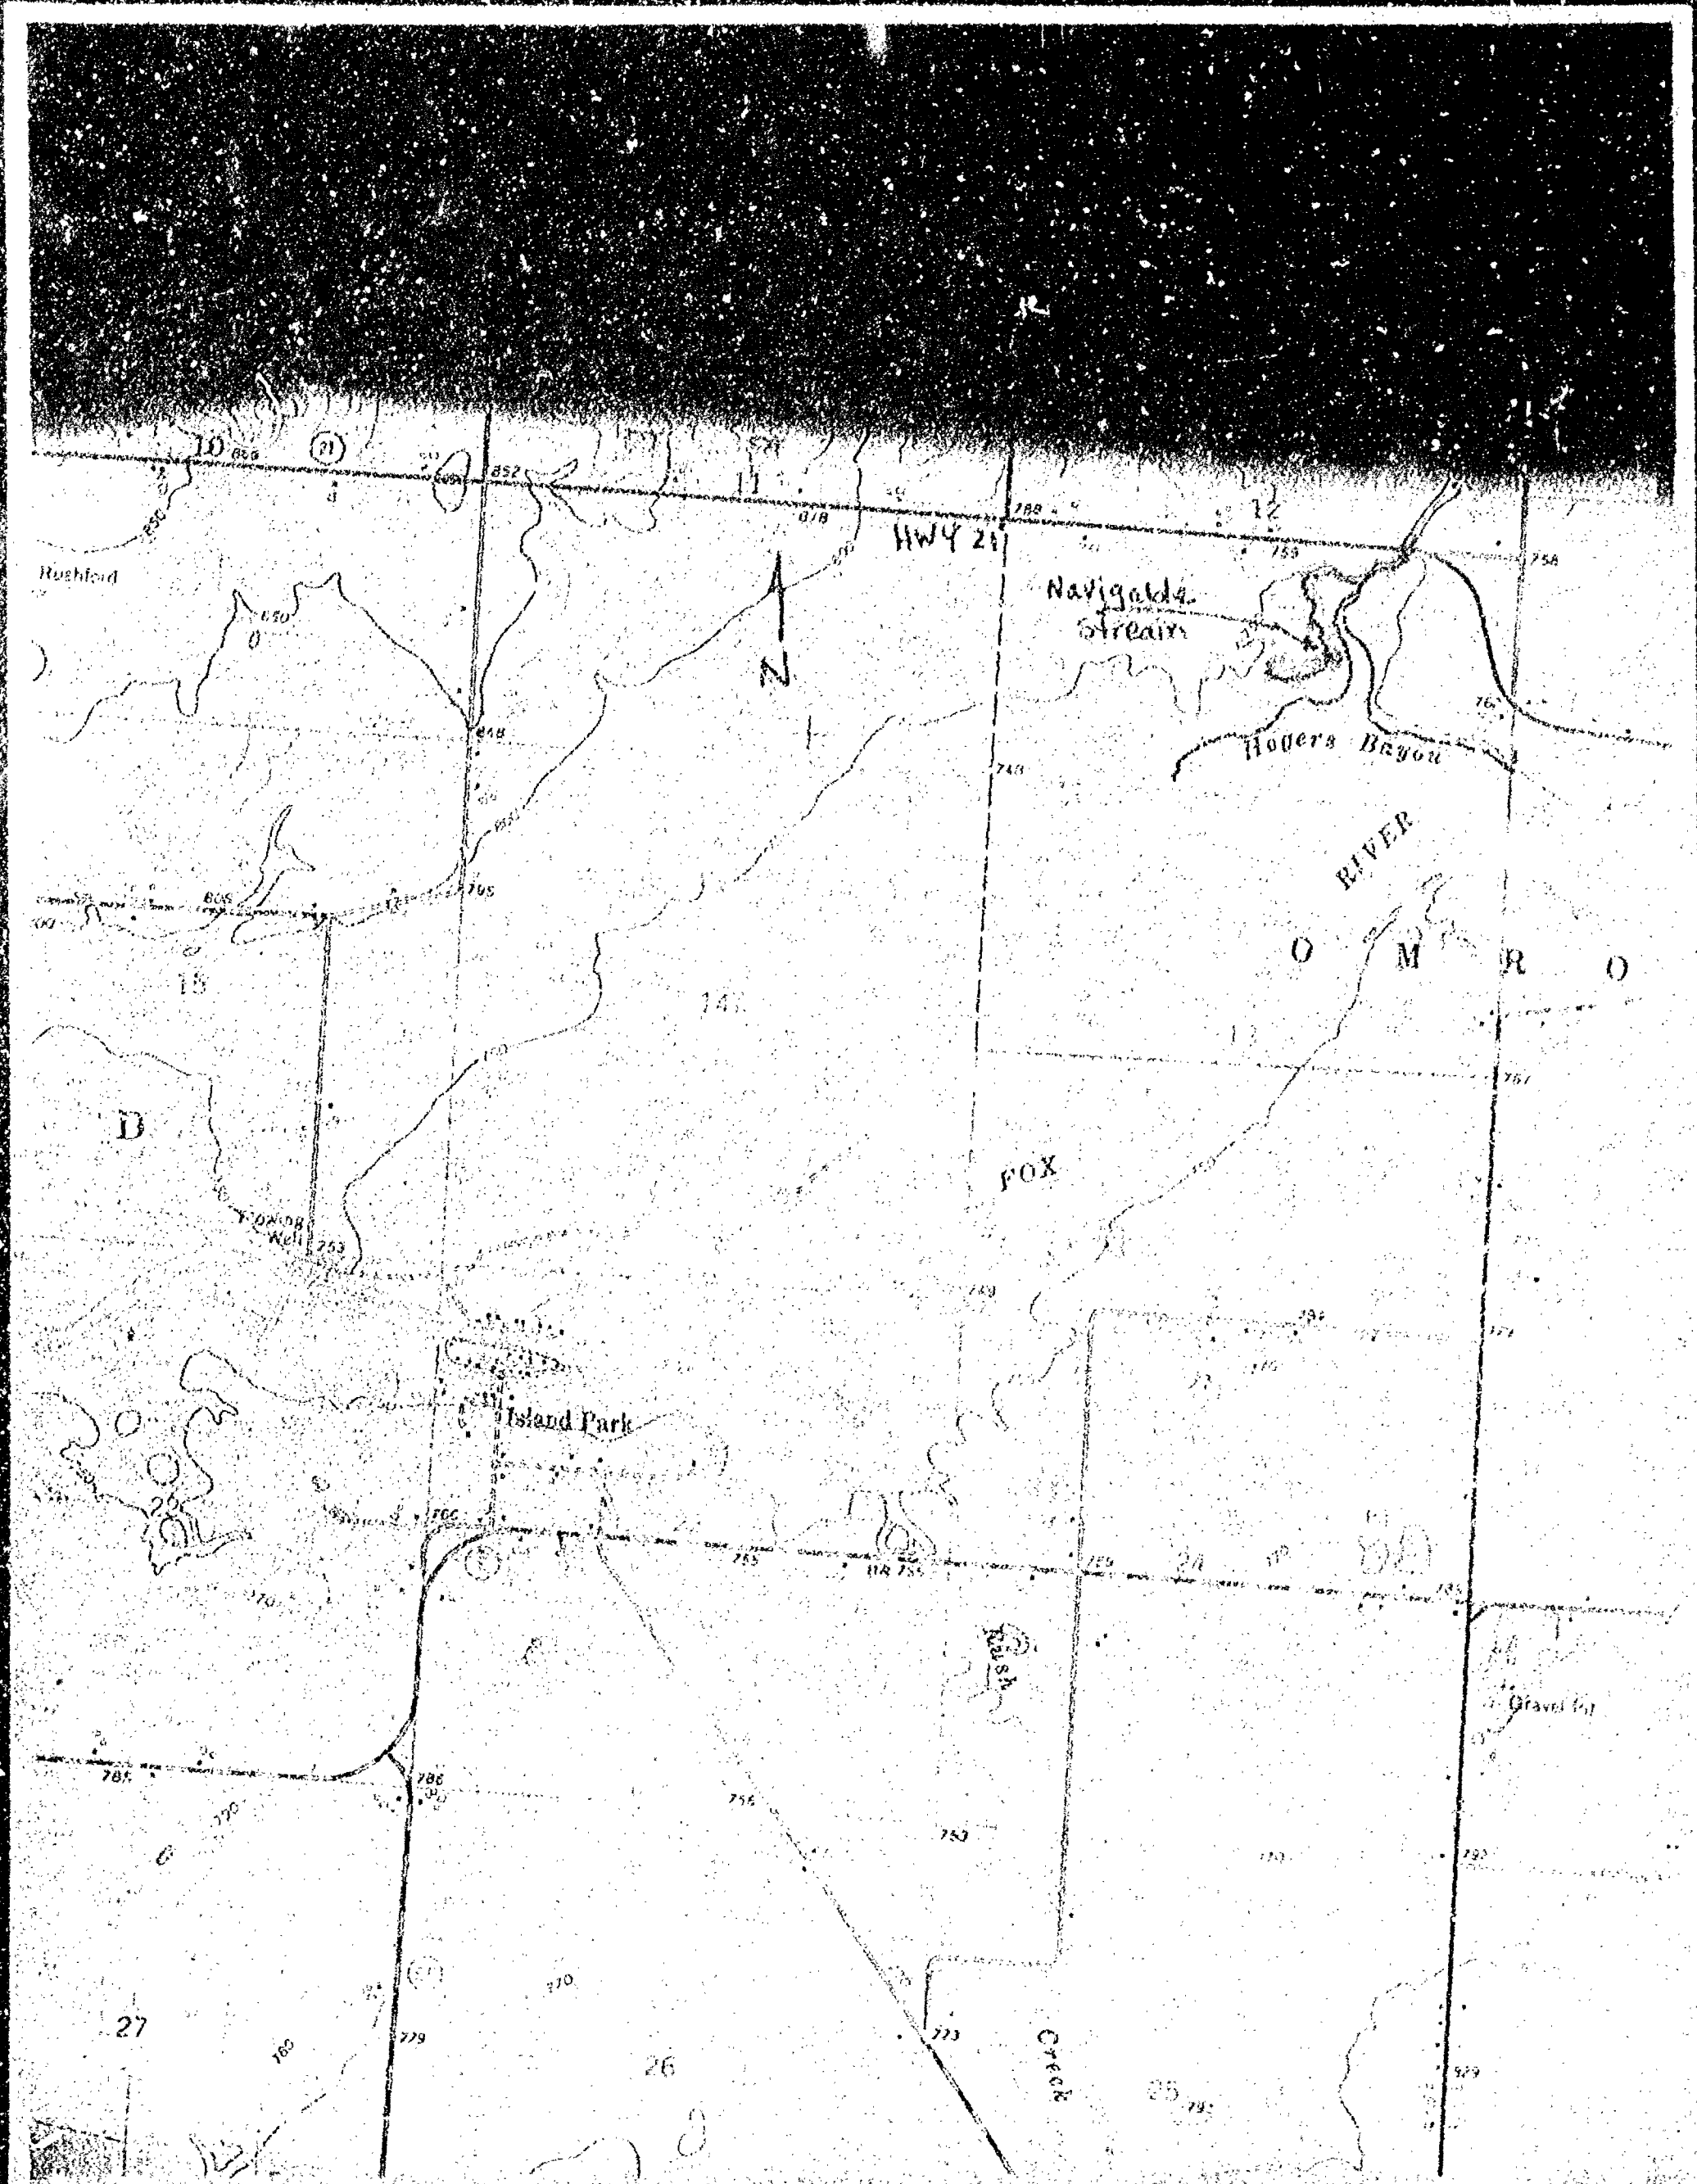

On February 11, 1998, I revisited the above stated property. The Department has determined that this section of stream is in fact NAVIGABLE. This decision was based on the fact that the unnamed stream has a defined bed and banks, and can float a craft of the shallowest draft on a regular recurring basis. (see attached map)

If you have any further questions or comments, please feel free to contact me at the above address or call (920) 424-7885.
