Dear Mr. Scott:

This letter is in regard to your proposed pond project located in the Town of Rushford, section 15, T18N, R14E, Winnebago County.

On July 21, 1993 I located this unnamed stream in response to a U.S. Army Corps of Engineers joint application form. Since this stream is non-navigable a permit to construct the pond is not required from the D.N.R. However plan approval to construct the dike is required.

Please send a complete copy of the application which you submitted to the U.S. Army Corps of Engineers as well as the required fee to: Linda Van Pay, P.O. Box 10448, 1125 N. Military, Green Bay, WI 54307-0448.

If you have any questions, please contact me at the above address, or call me at (414)424-4003.

Sincerely,

Tere Locks
