Dear Mr. Hughes:

This letter is in response to your request for a navigability determination of an unnamed ditch located in the SW1/4, NW1/4, section 13, T18N, R15E, Winnebago County.

On June 17, 1994 I located this ditch and determined it to be non navigable as it does not meet our definition of navigability. A Chapter 30 permit is required to dredge this waterway but other activities will most likely not require a permit from the Department.

If you have any questions please contact me at the above address or call me at 414-424-4003.

Sincerely,

Teri Locke
