SUBJECT: Unnamed ditch located in the Town of Omro, SE 1/4, Section
27, T18N, R15E, Winnebago County.

Dear Mr. Stearns:

This letter is in response to your request for a navigability determination of an unnamed ditch which flows into Spring Brook.

On May 26, 1993 you and I walked the ditch along your property and I have determined this ditch to be navigable as there are defined banks and a bed and sufficient water to float a small recreational craft on an annual recurring basis.

If you have any questions please contact me at the above address or call me at 414-424-4003.

Sincerely,

Tere Locke

SUBJECT: Navigability of unnamed ditches located in the SE1/4,
Section 27, T18N, R15E, Town of Omro, Winnebago County.

Dear Mr. Naslund:

This letter is in response to your request for navigability determination of two unnamed ditches located on the above property.

On December 21, 1993 I located the ditches and determined them to be navigable as there is sufficient water to float a small recreational craft on, on an annual recurring basis. There are also defined banks and a bed.

If you have any questions please contact me at the above address or call me at 414-424-4003.

Sincerely,

Tere Locke
