SUBJECT: Navigability determination of Honey Creek

Dear Mr. Hoeft:

This letter is in response to your request for a navigability determination of Honey Creek located in the Town of Algoma, NE 1/4, Section 30, T18N, R16E, Winnebago County.

On December 16, 1992 I went to the creek location and determined it to be navigable as there are defined banks and a bed and sufficient water to float a small watercraft on an annual recurring basis.

If you have any questions please call me at 414-424-4003.

Sincerely,

Tere Locke
