| BASIS FOR MONUMENT LOCATION - PROVIDE BELOW HISTORY OF CORMER, WITH REFERENCE TO VOLUME AND PAGE, DATES, SURVEYOR; EXACT DESCRIPTION OF MONUMENT REPLACED; IF LOCATION COMPUTED OF TAPED OR EOM TRAVERSE; LANDOWNER, WITHESSES, REMAINS, ETC. (USE REVERSE SIDE) Original post set by John Brink in Feb. 1835. County Surveyor Palmer in Oct. 1865 found post and again in May 1884. In early 1950 USH "41" was constructed and reference was made that the corner was 81' W. of centerline. In Sept. 1975 S. Chronis found a bathey survey marker 81' off the centerline which the State must have set because he had found other bathey markers along the "41" project in Winnebago County. On Nov. 14, 1979 Winnebago County Berntsen Piston reference monuments were set and ties were taken. Nov. 1993, WisDOT reset new Berntsen monument at corner location from remaining ties and project control. New witness monuments set. | SEAL: JOSEPH THELEN S-110 SHAWAND WIS.
