SUBJECT: Navigability Determination

Dear Mr. Stumpner:

I am writing in regard to your request for a navigability determination of an unnamed waterway located in the SE 1/4 of the SW 1/4 of Section 21, Township 19 North, Range 14 East, Winnebago County, Wisconsin.

On April 22, 1998, I inspected the unnamed waterway along your property in the above mentioned location. See attached map for further detail.

The Department has determined that this unnamed watercourse is NON-Navigable due to the lack of a definable bed and bank, and that the waterway would not likely be capable of floating a shallow draft recreational craft on a regular recurring basis.

If you have any further questions, please feel free to contact me at the above address or call (920) 424-7885. Thank you for your time and cooperation.

Sincerely,

Brian H. Kalvelage
