Subject: Navigability Determination

Dear Mr. Brooks:

This letter follows up your request for a navigability determination for a waterway located in the NW¼ of Section 34, Township 19 North, Range 14 East, Winnebago County.

A field investigation was completed on August 10, 2000. A small grassed drainageway begins on your property and flows north toward Tritt Road. This segment of the waterway does not have a defined bed and bank and is not capable of floating a small watercraft.

Based upon the site inspection this section of the waterway does not meet the state definition of "navigable waterway". Enclosed is a copy of the aerial photograph highlighting the waterway in question. If you have any questions about this determination, please contact me directly.

Sincerely,

Kristy J. Rogers
