Dear Mr. Pascarella:

This letter is in response to your request for a navigability determination of an unnamed creek located in the Town of Winneconne, NE 1/4, NW 1/4, section 23, T19N, R15E, Winnebago County.

On October 12, 1992, I visited the creek on your property and determined the creek to be navigable as there are defined banks, a bed and sufficient water to float a small water craft on an annual recurring basis.

As we discussed on that day, permits are required from the Department of Natural Resources for dredging, culverts, bridges, ponds, etc. (any alterations).

If you have any questions, please call me at (414)424-4003.

Sincerely,

*Tere Looke*Tere Looke
