Dear Sir or Madam:

Re: Application for culverts
SW¼ and NW¼, SW¼, Section 30, T19N, R15E, Unnamed Tributary,
Winnebago County

Your application for the placement of culverts has been dismissed at this time. A permit is not required for this activity because the two waterways do not meet the state definition of "navigable".

You will be receiving a refund in the near future for the permit fee you submitted with your application.

If you have any questions about this determination, please feel free to contact me. I apologize for the delay in this response.

Sincerely,
