Subject: Navigability Determination

Dear Mr. Brooks:

This letter is in response to your request for a navigability determination. The waterway is located in the SW $\frac{1}{4}$ of Section 31, Township 19 North, Range 15 East, Winnebago County.

The waterway does not have a defined bed and bank and the ability to float a small watercraft on a reoccurring basis. This waterway does not meet the definition of navigable as set forth in Wisconsin Statutes Chapter 30.

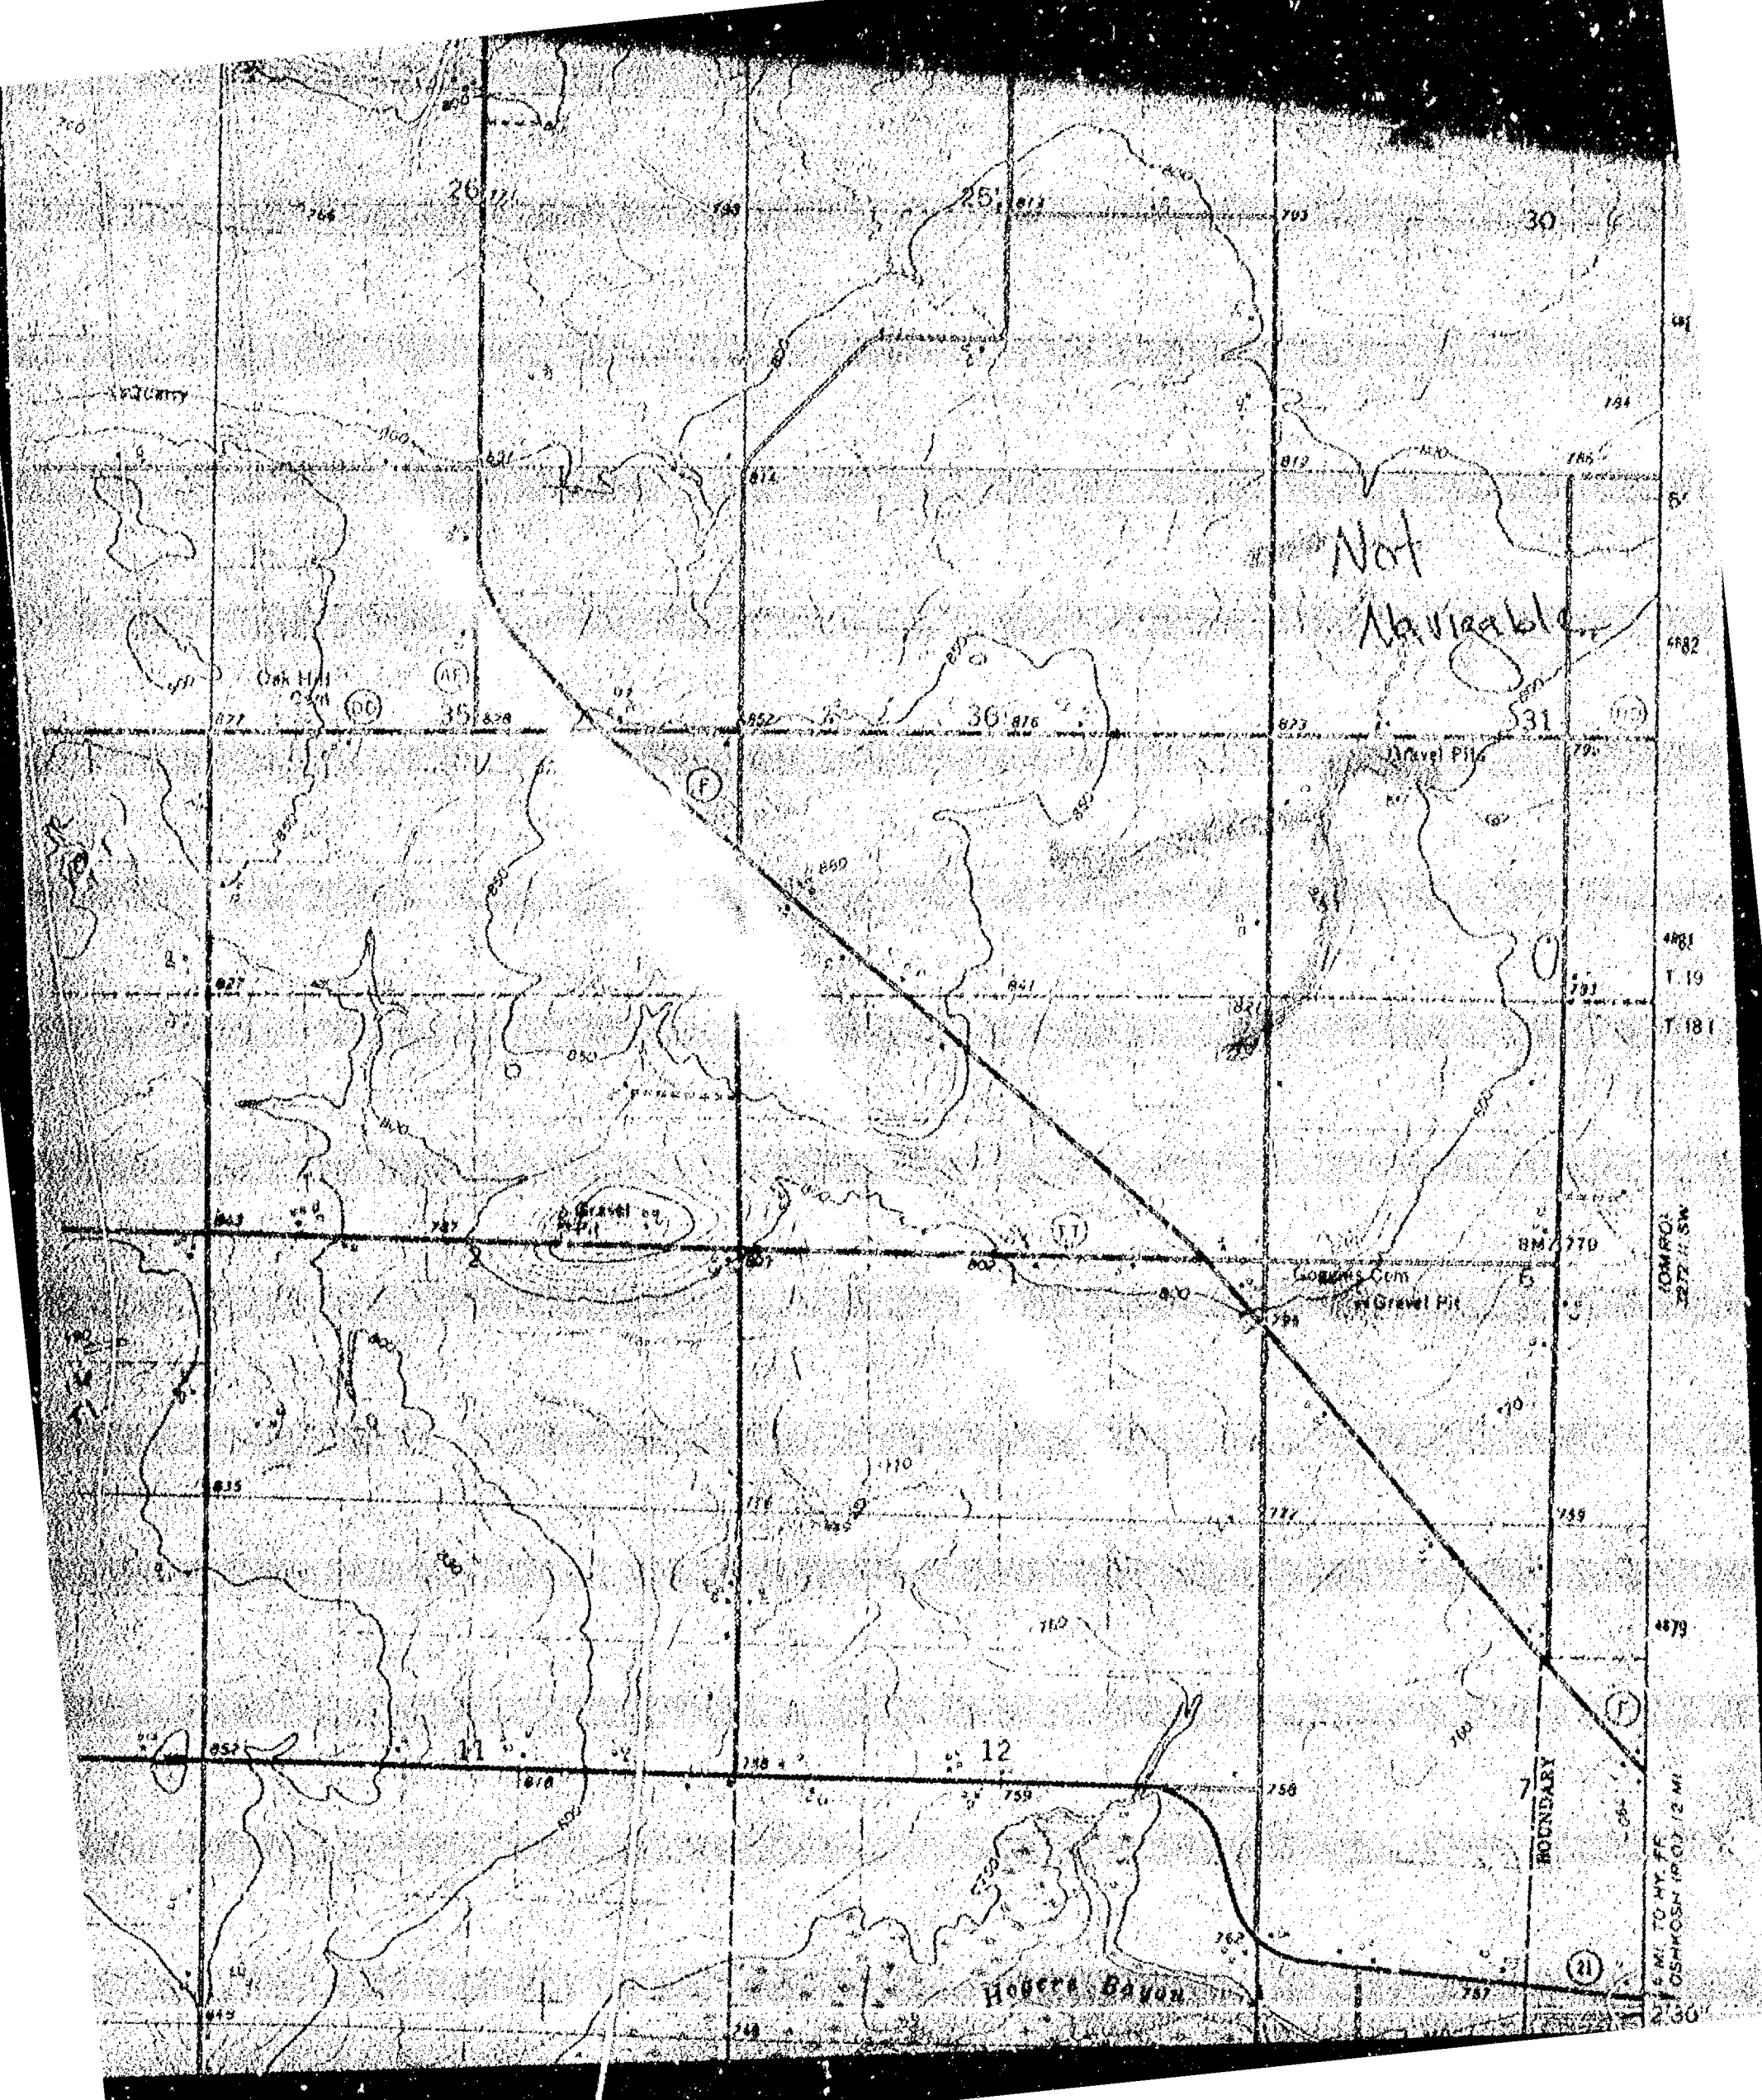

Please call me at (920) 424-7885 with any questions.

Sincerely,

SUBJECT: Navigability determination of an unnamed ditch located in the
NW1/4, SE1/4, Section 31, T12N, R15E, Town of Winneconne,
Winnebago County.

Dear Mr. Dailey:

This letter is a follow up to our meeting and discussion which occurred this morning on Grinnow Road.

As I said, the ditch is navigable as there are defined banks, a bed, and sufficient water to float a small recreational craft on an annual recurring basis.

Any alterations to the ditch, or construction of a pond within 500 feet to the ditch, or grading on the bank in excess of 10,000 square feet will require a Chapter 30 permit from the DNR.

I have attached a permit application form for the construction of an unconnected pond.

If you have any questions please contact me at the above address or call me at 414-424-4003.

Sincerely,

Tere Locke
