Dear Mr. Van Able:

This letter is in response to your request for a navigability determination of an unnamed creek located in the Town of Vinland, section 12, T19N, R16E, Winnebago County.

On March 3, 1993 I located this creek and determined the tributary to the south to be navigable while the tributary to the north is non-navigable. The tributary to the south had defined banks and a bed and sufficient water to float a small recreational craft on an annual recurring basis while the tributary to the north did not meet this definition.

If you have any questions, please call me at (414) 424-4003.

Sincerely,

Tere Locke
