Dear Mr. Meske:

This letter is in response to your request for a navigability determination of an unnamed ditch/creek located in the NW 1/4, NW 1/4, section 32, T20N, R14E, Town of Wolf River, Winnebago County.

On November 9, 1993 I located this ditch/creek and determined it to be navigable as there are defined banks, a bed and sufficient water to float a small recreational craft on, on an annual recurring basis.

If you have any questions please contact me at the above address or call me at 414-424-4003.

Sincerely,

Tara Locke
