CERTIFIED SURVEY MAP NO.

D.O.T. Access Restriction

All lots and blocks are hereby restricted so that no owner, possessor, user, licensee or other person may have any right to direct vehicular ingress from or egress to any highway lying within the right-of-way of Proposed U.S.H. "10", it is expressly intended that this restriction constitute a restriction for the benefit of the public as provided in s. 236.293, Stats., and shall be enforceable by the department or its assigns. Any access shall be allowed only by special exception. Any access allowed by special exception shall be confirmed and granted only through the driveway permitting process and all permits are revocable.

D.O.T. Noise Statement

The lots of this land division may experience noise at levels exceeding the levels in s. Trans 405.04, Table 1. These levels are based on federal standards. The Department of Transportation is not responsible for abating noise from existing State Trunk Highways or connecting highways, in the absence of any increase by the Department in the highway's through-traffic capacity.

D.O.T. Setback Restriction

No improvements or structures are allowed between the right-of-way line and the highway setback line. Improvements and structures include, but are not limited to, signs, parking areas, driveways, wells, septic systems, drainage facilities, buildings and retaining walls. It is expressly intended that this restriction is for the benefit of the public as provided in Section 236.293, Wisconsin Statutes, and shall be enforceable by the Wisconsin Department of Transportation or its assigns. Contact the Wisconsin Department of Transportation for more information. The phone number may be obtained by contacting the County Highway department.

Town of Clayton Disclosure Statement:

The lots created in this Certified Survey Map are adjacent to properties that, as of the date of this document, are being used for agricultural purposes. Some individuals believe that the activities associated with the agricultural use constitute a nuisance or conflict with the quiet enjoyment of their property. This statement is intended to provide third parties with notice that agricultural activities may exist on the adjacent property.

D.O.T. Access Restriction

All lots and blocks are hereby restricted so that no owner, possessor, user, licensee or other person may have any right to direct vehicular ingress from or egress to any highway lying within the right-of-way of Proposed U.S.H. "10", it is expressly intended that this restriction constitute a restriction for the benefit of the public as provided in S.236.293, Stats., and shall be enforceable by the department or its assigns. Any access shall be allowed only by special exception. Any access allowed by special exception shall be confirmed and limited only through the driveway permitting process and all permits are revocable.

D.O.T. Noise Statement

The lots of this land division may experience noise at levels exceeding the levels in S. Trans 405.04, Table 1. These levels are based on federal standards. The Department of Transportation is not responsible for abating noise from existing State Trunk Highways or connecting highways, in the absence of any increase by the Department to the highway's through-lane capacity.

D.O.T. Setback Restriction

No improvements or structures are allowed between the right-of-way line and the highway setback line. Improvements and structures include, but are not limited to, signs, parking areas, driveways, wells, septic systems, drainage facilities, buildings and retaining walls. It is expressly intended that this restriction is for the benefit of the public as provided in Section 236.293, Wisconsin Statutes, and shall be enforceable by the Wisconsin Department of Transportation or its assigns.
