Dear Mr. Fox:

This letter is in response to your request for a navigability determination of an unnamed creek located in the Town of Clayton, SE 1/4, SE 1/4, section 13, T20N, R16E, Winnebago County.

On August 14, 1992 I walked the creek where it crosses 150 to the north, the creek is navigable to the north and east as there are defined banks and a bed and sufficient water to float a small recreational craft on an annual recurring basis. The creek/ditch is non-navigable to the west where it intersects the north/south portion. (Drawing attached). At the site, I attached pink flagging to a willow tree on both sides of the creek and placed an orange flag at the creek bank.

If you have any questions, please call me at 414-424-4003.

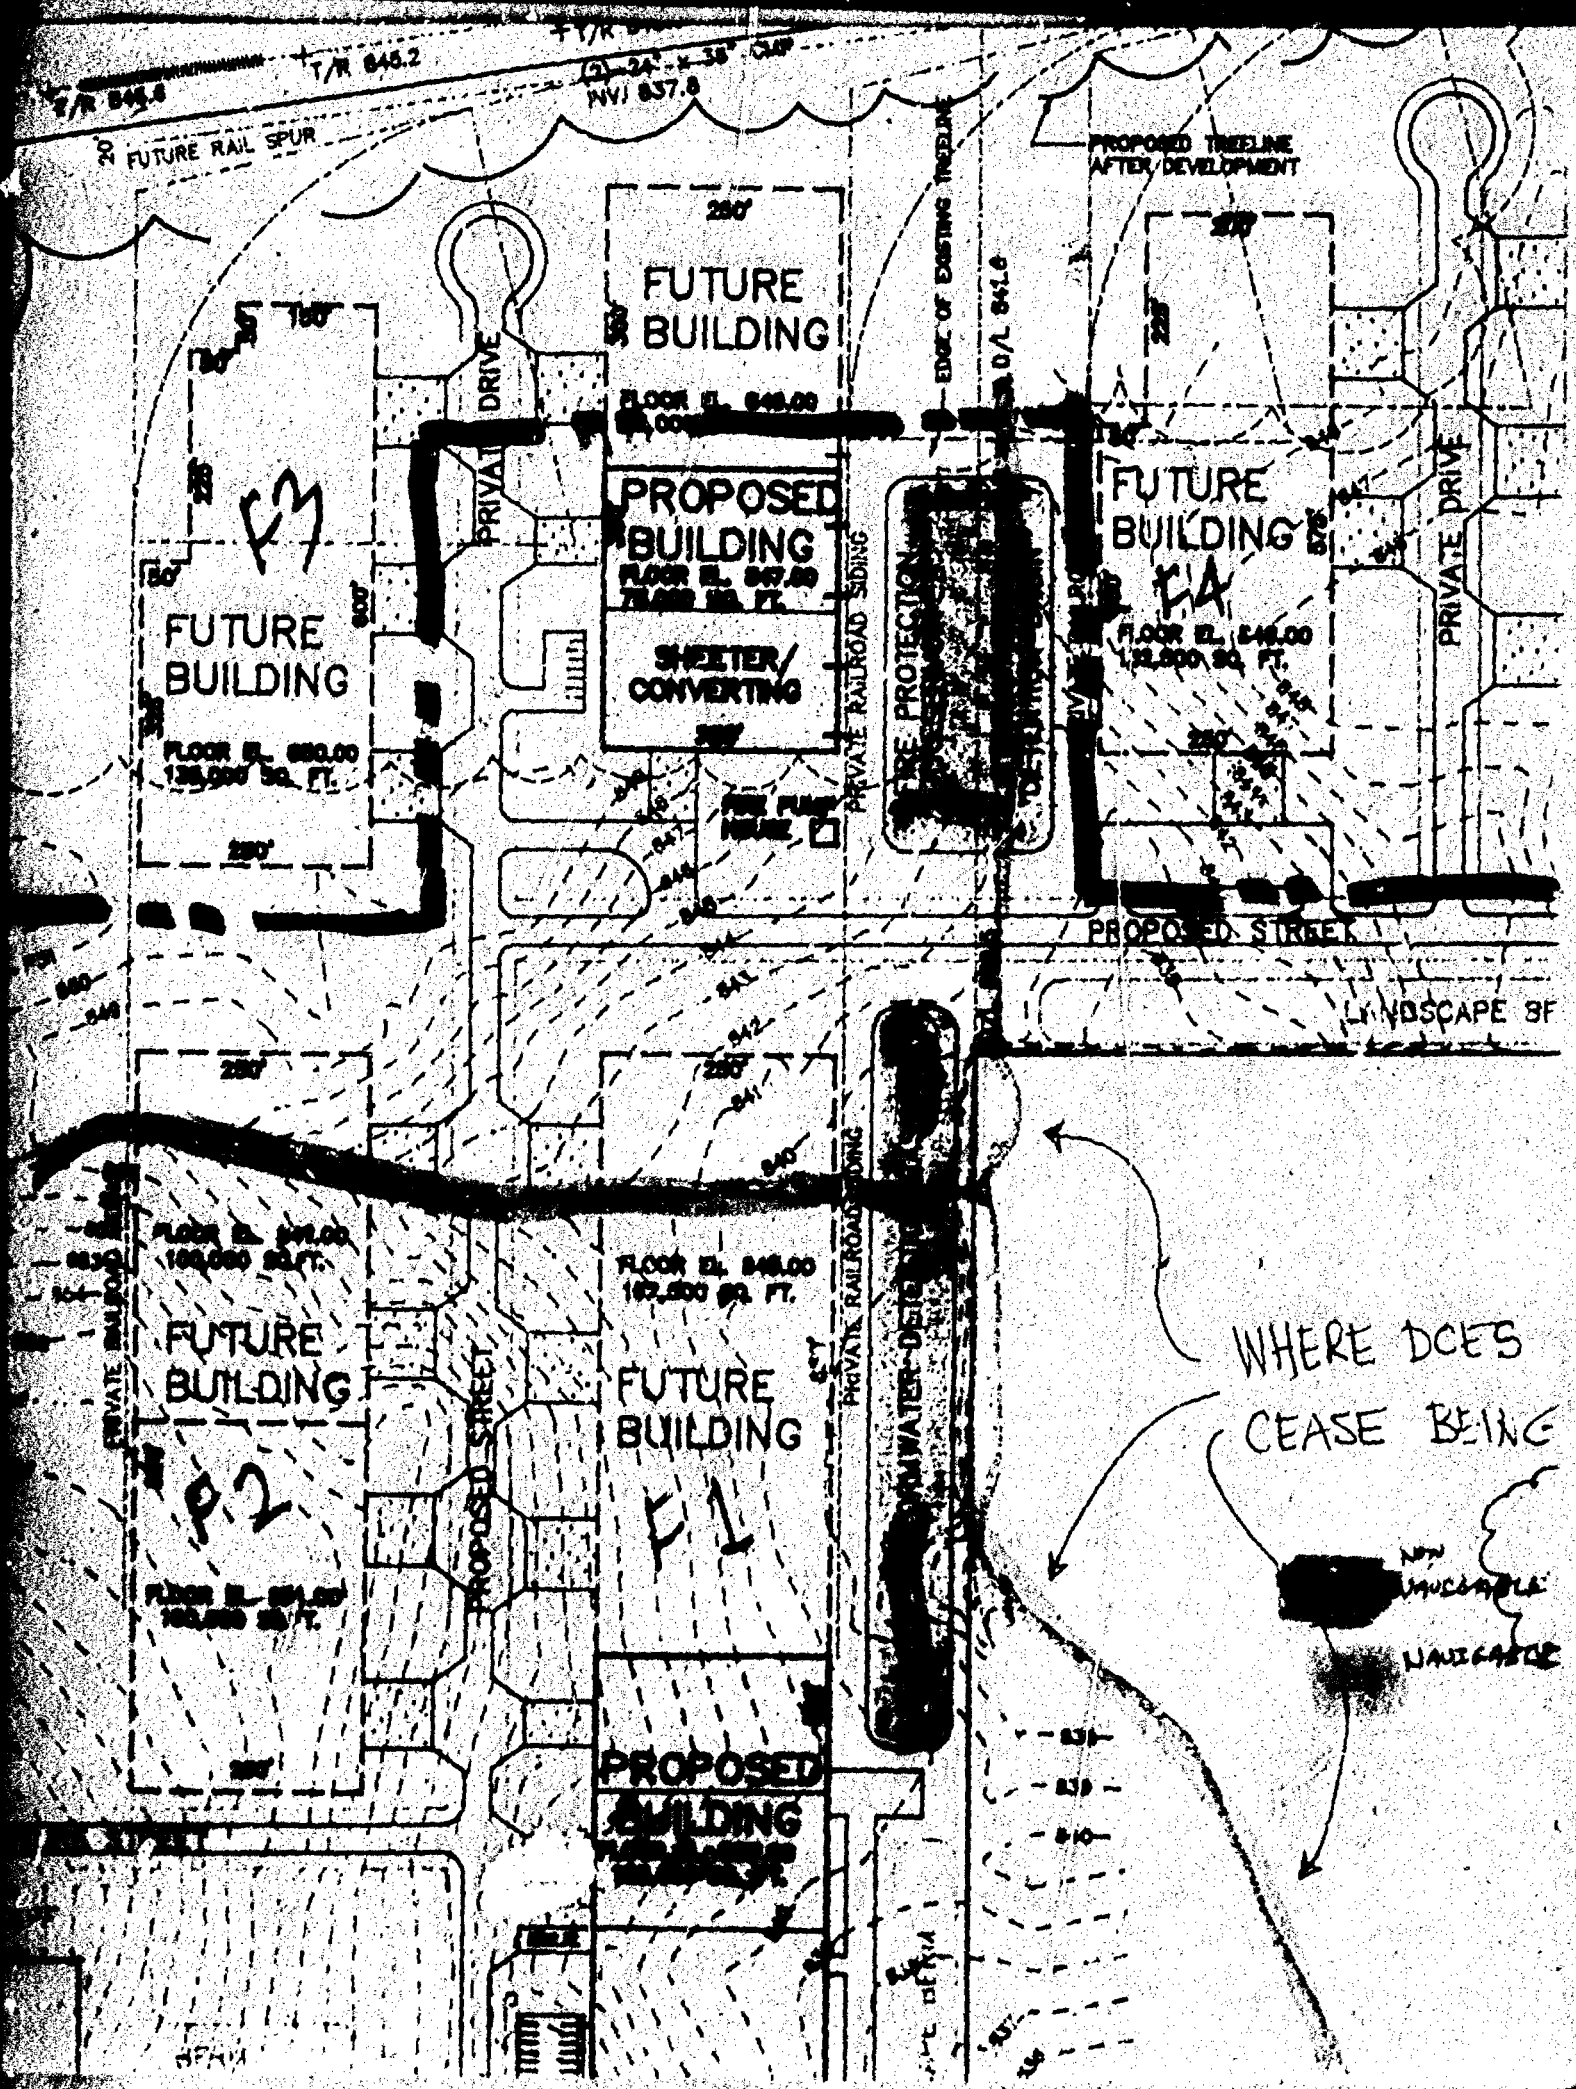

Sincerely,

Tara Locke
