Subject: Navigability Determination

Dear Mr. Smith:

This letter is in response to your request for a navigability determination. The waterway is an unnamed tributary to the Arrowhead River and is located in the SE 1/4, NW 1/4, Section 22, Township 20 North, Range 16 East, Town of Clayton, Winnebago County.

Thank you for meeting on site Monday, December 3, 2001, for a field investigation. The waterway shows signs of sufficient width and depth to float a small watercraft, however it is vegetated and does not have a defined bed and bank. This waterway does not meet the definition of a navigable waterway.

Based on this determination, projects in this area do not fall under the jurisdiction of Wisconsin Statutes Chapter 30. If you have any questions, please call me at (920) 303-5440 or Kristy Rogers (920) 424-7885.

Sincerely,

Cindy Lancaster
