SUBJECT: Navigability determination of an unnamed stream
located in the SW 1/4, NW 1/4, section 28, T20N,
R16E, Town of Clayton, Winnebago County.

Dear Mr. Minock:

This letter is in response to your request for a navigability
determination on an unnamed stream located to the east of County
T.

On April 8, 1996 I was at this site and determined the stream to
be non-navigable as there are no defined banks or a bed and there
is insufficient water to float a small recreational craft on, on
an annual recurring basis. The stream does become navigable
downstream of where your proposed crossing will be located.

There are also wetlands located in the area where you wish to
construct a driveway. You need to contact the U.S.A.C.O.E., Gary
Knapton, 414-448-2824 to see what permits are required for the
driveway fill and dredging of the pond.

If you have any questions please contact me at the above address
or call me at 414-424-4003.

Sincerely,

Tere Locke
