Dear Ms. Walling:

This letter is in response to your request for a navigability determination of an unnamed creek located in the Town of Clayton, ~~NE 1/4, SE 1/4~~ section 35, T20N, R16E, Winnebago County.

On August 3, 1993 I did an inspection of this creek and determined it to be navigable as there are defined banks, a bed and sufficient water to float a small recreational craft on, on an annual recurring basis.

If you have any questions, please contact me at the above address or call me at (414)424-4003.

Sincerely,

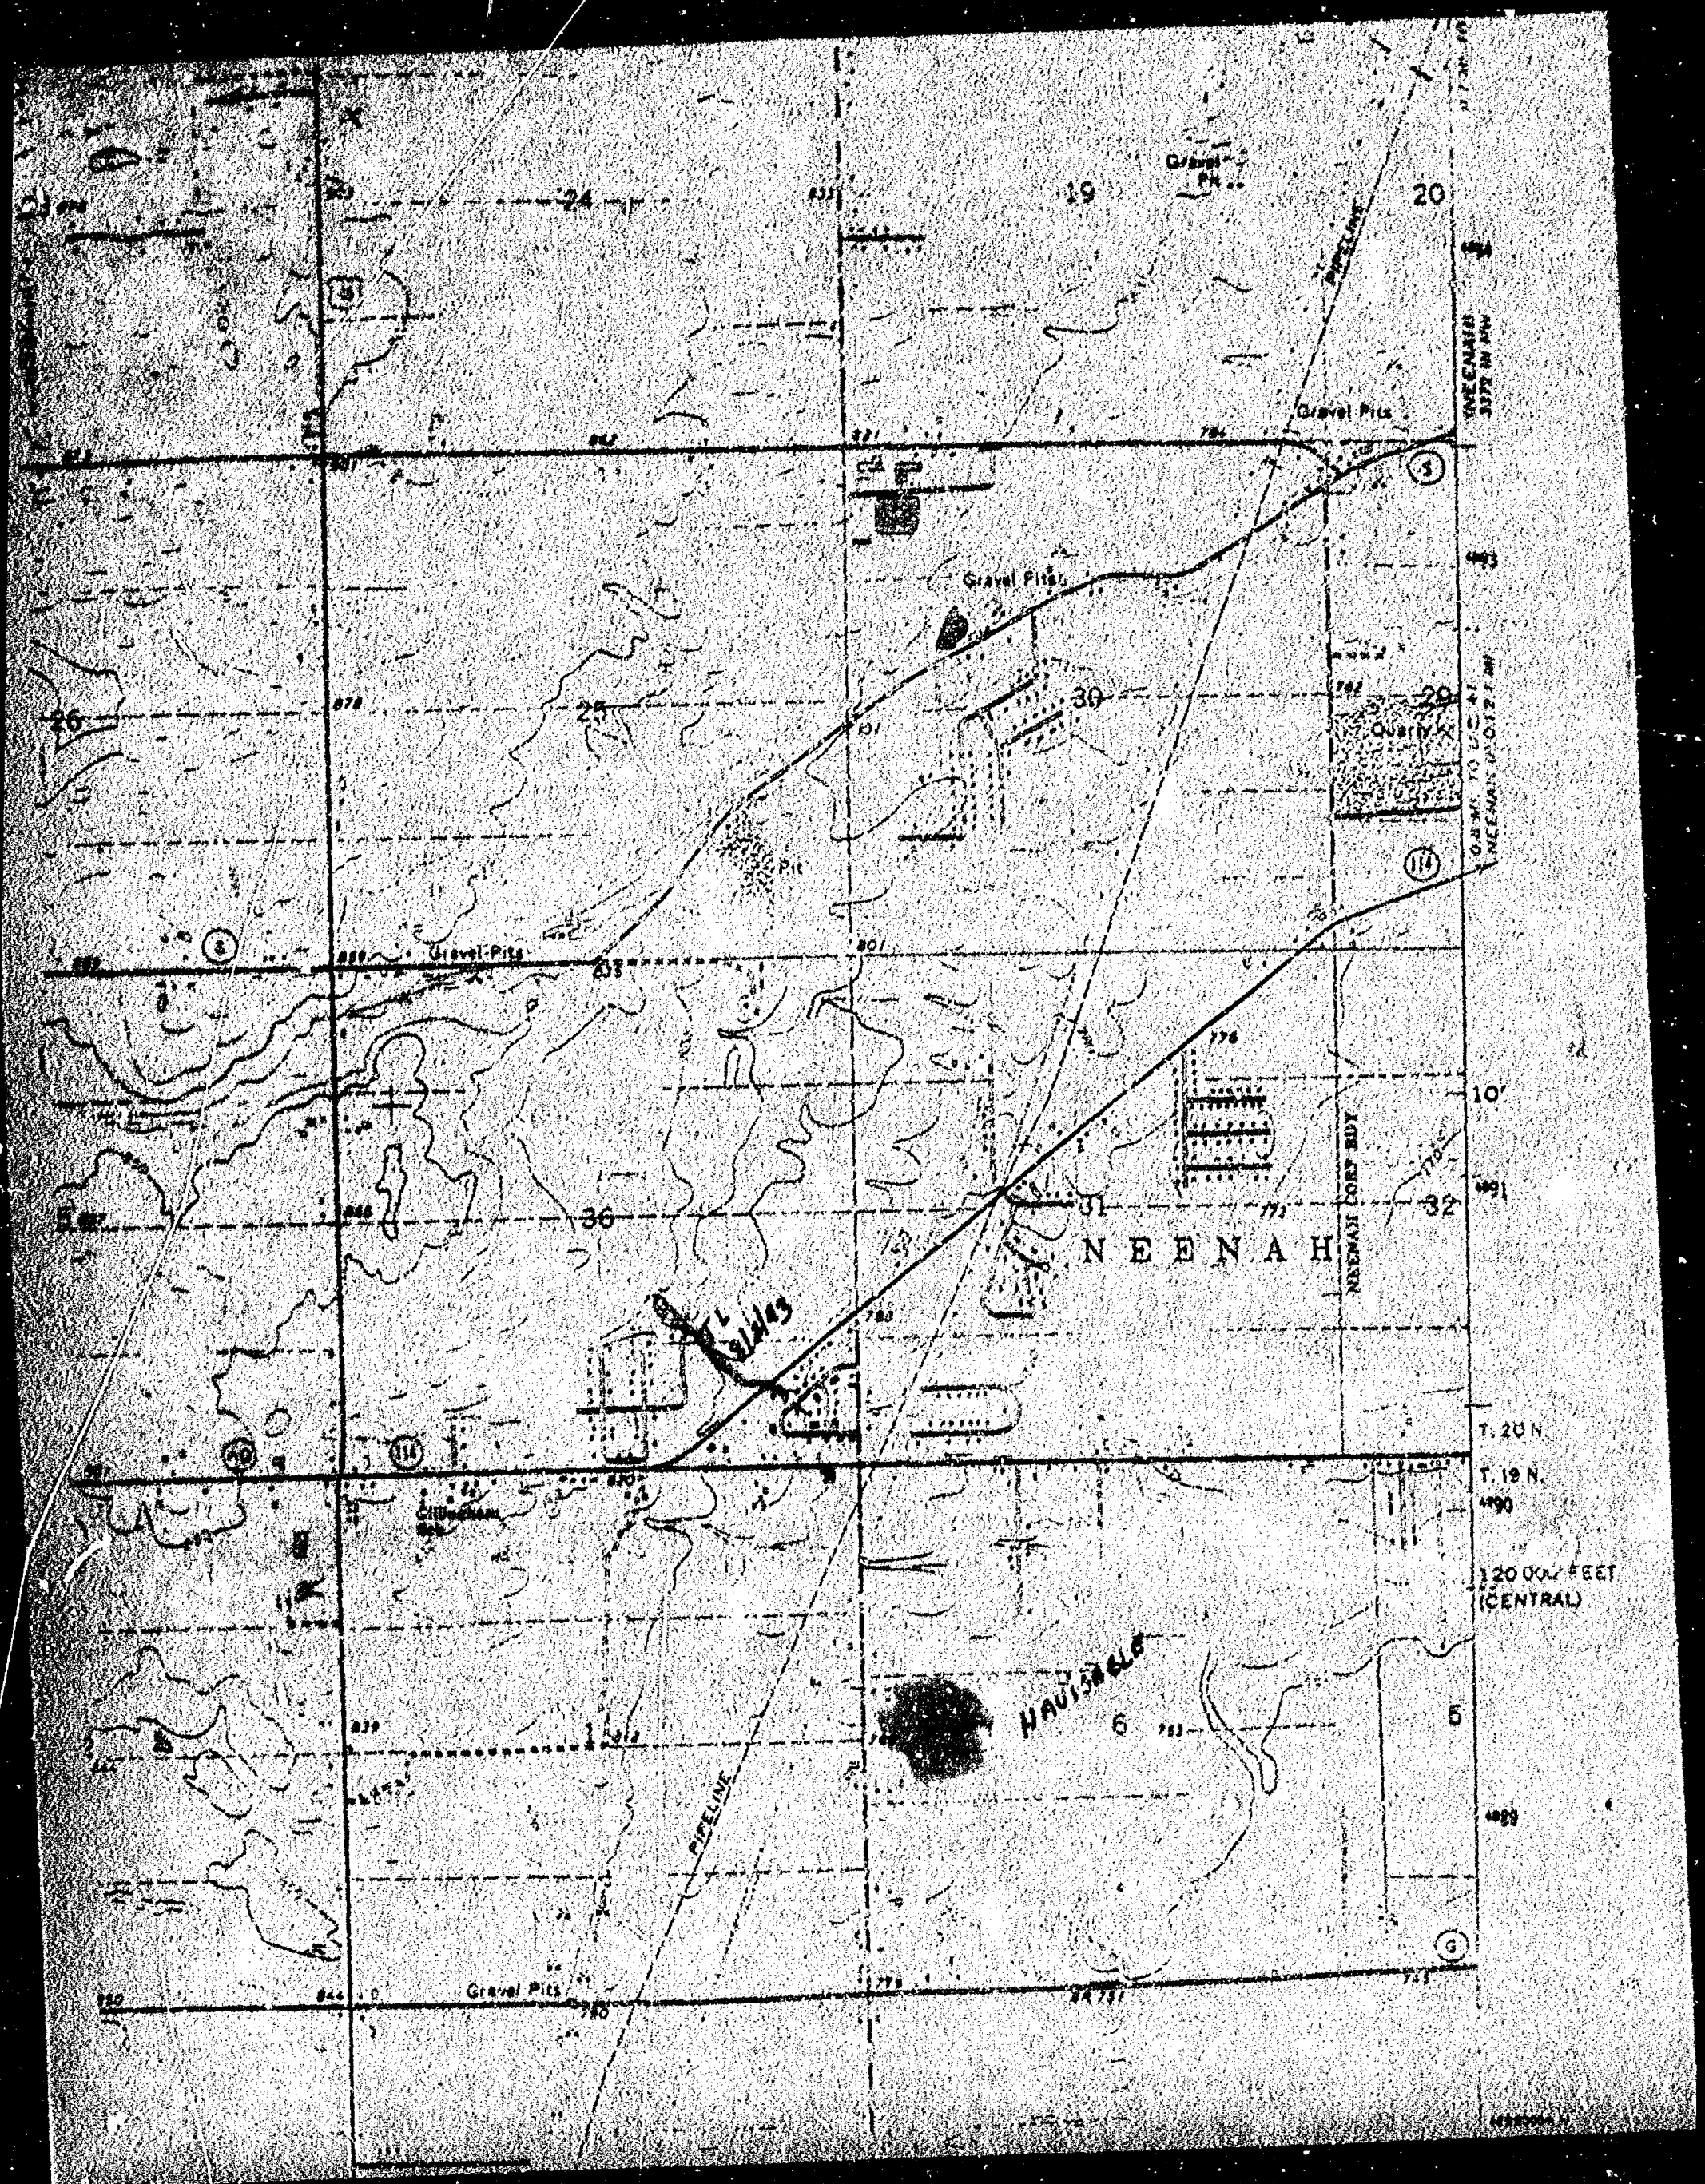

Tere Locke
