Dear Mr. Gehrt:

This letter is in response to your request for a navigability determination of an unnamed creek located in the Town of Clayton, ~~WI~~ ~~WI~~, section 35, T20N, R16E, Winnebago County.

On September 14, 1992 Richard Wissink and I were at the above site and determined the unnamed creek to be navigable as there are defined banks, a bed and sufficient water to float a small recreational craft on an annual recurring basis.

Attached is an application to place culverts in the unnamed creek.

If you have any questions, please call me at (414)424-4003.

Sincerely,

*Tere Locke*
